

A NATIONAL HISTORIC LANDMARK

SCHOONER AMERICAN EAGLE CAPT. TYLER R. KING

Thank you for your interest in sailing aboard the American Eagle. An adventure with us is a unique opportunity to explore the beautiful coast of Maine while making new friends, catching up with old ones, or spending quality time with family or on your own. It doesn't take long to relax into the shipboard routine of sailing amongst the islands, enjoying delicious food, and visiting places often only accessible by water. With our 92 feet of uncluttered deck space for up to 26 guests, you have plenty of room to help with sailing, read a book, or simply lounge around in the sun while we make our way from one harbor to the next.

Built in 1930, the American Eagle was designed to work offshore in all weather, giving her unparalleled comfort and stability in the New England climate. Her rich wood paneling, spacious salons, and cozy cabins exemplify the rustic luxury of a traditional sailing vessel.
