

A NATIONAL HISTORIC LANDMARK

SCHOONER AMERICAN EAGLE CAPT. TYLER R. KING

Thank you for your interest in sailing aboard the American Eagle. An adventure with us is a unique opportunity to explore the beautiful coast of Maine. It doesn't take long to relax into the shipboard routine of sailing amongst the islands of Penobscot Bay while enjoying delicious food and visiting places often only accessible by water. With our 92 feet of uncluttered deck space for up to 26 guests, you have plenty of room to help with sailing, read a book, or simply lounge in the sun while we make our way from one harbor to the next.

Built in 1930, the American Eagle was designed to work offshore in all weather, giving her unparalleled comfort and stability in the New England climate. Her rich wood paneling, spacious salon, and cozy cabins exemplify the rustic luxury of a traditional sailing vessel.

REESE FULMER AND THE CARRIAGE HOUSE BAND ~ SCHOONER

GAM ~ June 8 ~ The first of our Maine Windjammer Association Fleet event of the season! One evening we raft up with the entire fleet for an evening together. Joining us on this 5-night adventure is the modern folk group Reese Fulmer and the Carriage House Band. With informal sessions throughout the trip, it's the perfect addition to gliding alongside spruce-studded islands or anchoring in quiet coves.

GREAT SCHOONER RACE ~ June 30 ~ 4 days of sailing out in the bays and sounds before we gather in Rockland Harbor with the Windjammer Fleet and visiting vessels for our annual race. The festivities begin the evening before as we compete to hold our title in the small boat race, followed by the Great Schooner Race the next day. The event culminates with an evening shoreside awards ceremony complete with snacks and a live band.

HIKING & ISLAND EXPLORATION ~ July 11, Aug 3, or Aug 17 ~ Explore more of what the hundreds of islands in our cruising ground have to offer. Hiking is anywhere from a stroll to a bit of rock scrambling with water views around every corner! If hiking isn't quite to your taste, it is a nice time to relax on the many pocket beaches, wade in the tidepools, and take in the surroundings. Cool off after your hike with a swim before dinner.

EASTBOUND: BLUE HILL AND BEYOND ~ July 17 ~ Join

us as we sail beyond our normal cruising grounds and visit some of the far flung bays just beyond Penobscot Bay.

DARLIN COREY ~ Aug. 12 ~ Award winning fiddle player and singer Erica Brown and talented multi-instrumentalist Matt Shipman of Darlin Corey join us for another year. Enjoy the warmth of summer on deck as they share their unique blend of folk influenced by bluegrass and old time music. The trip will be filled with music from informal sessions under sail to an impromptu contra-dance during the lobster bake.

GLOUCESTER SCHOONER RACE ~ Aug. 27 ~ Our annual journey home to Gloucester for both the Eagle and Capt. King. This 9-night offshore trip offers us a chance of seeing whales and other marine wildlife on our way to race for the Esperanto Cup once again. Explore America's oldest fishing port, as schooner of all sizes converge on Gloucester for the weekend.

WOODENBOAT SAIL-IN ~ Sept. 7~ Our last fleet get-together of the season. We all meet in Brooklin, Maine, home to the world-renowned WoodenBoat Magazine and WoodenBoat School, for an evening of music and small boat activities.

CELTIC ISLES~ Sept 21 ~ Celtic duo Drank the Gold sets the soundtrack to our misty sail through Penobscot Bay in the fall. Watch the leaves change colors during the day and cozy up to an intimate concert in our wood-paneled galley in the evening.

No matter how long you're aboard, we strive to make your time with us a safe, fun, and rejuvenating experience. Whether you are a seasoned guest or you're new to windjamming, our all-inclusive trips provide you with incredible views, great food, and memories for a lifetime. The American Eagle is owner-operated, meaning I am your host each day of every trip, and the crew and I are happy to share our knowledge, skills, and camaraderie with you. It is with our guests at heart that we work year-round to ensure that this National Historic Landmark is always at her best.

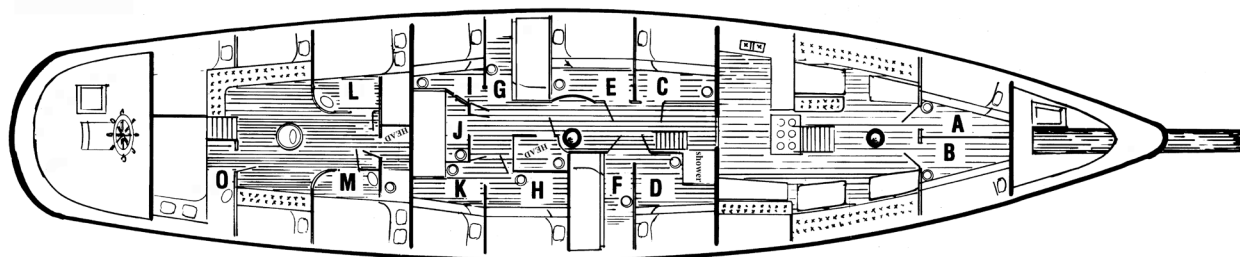

We hope to have you join us in 2025!
